Congratulations and huge thanks to Matt and the great team of volunteer

workers from all the local clubs, who put such a great effort into making the 2016 National Meeting the tremendous success that it was. I would also draw attention to the fact that, yet again - and despite forecasts to the contrary, the weather was a blessing to us. Let's not forget the appropriate thanks for that!

What tremendous weekend! My Asian friends had the time of their lives.

For all concerned, I'm sure that work feels like a holiday in comparison! WELL DONE!

1990 2CV6 Dolly Plum and Custard Reg: G557BRX
Mileage:30,933 Taxed until 31.12.2016
MOT due: Nov 2016

Dear All

As mentioned in last months round up in 2cvGB news under "Disc-ussions" I attach details of my 1990 2CV Dolly (only 30,993 miles) for sale.

Basically, she runs well. We've kept her under cover and then fully garaged for the last four years. As we had a holiday home on the Isle of Wight Dolly was our weekend car just for the Island so we didn't have to use the car ferry. Four years ago we moved house to live here full-time and therefore have hardly used her, as you can see from the MOT mileage records, although she's a trouper and starts up fine and drives well. Her upholstery has suffered a bit and she needs a damn good wash and brush up. We had some bodywork done in 2011 to rust in the bonnet channel, which was then sealed, primed and resprayed. All red areas were resprayed and yellow areas were machine polished. The wheels were prepared and resprayed. There is some incidental rust, but nothing major. Sadly it is time to admit that although we love her, it is time for her to find another loving new home. **Asking price is £5500 ono.**

I can always meet prospective buyers off the ferry or catamaran.

Yours, Victoria Duckett
